

New Employee Onboarding Guide

Welcome!

Welcome to the team! This guide will help you get started on your first day and first week. Please read this carefully and reach out to HR if you have any questions.

Day 1 Checklist

- Collect your ID card from Security
- Meet your manager and team
- Set up your workstation and email
- Complete HR documentation
- Attend orientation session at 10 AM

Week 1 Checklist

- Complete all mandatory online training
- Meet all department heads
- Review company policies
- Set up payroll and bank details in HR portal
- Complete security awareness training

IT Setup

Contact IT helpdesk at it@company.com or ext. 2001 to set up your laptop, email, VPN access, and software licenses within your first 48 hours.

HR Portal

Access the HR portal at hr.company.com to view your leave balance, payslips, company policies, and submit requests. Your login credentials will be emailed to you.
